

# Prevent – Learner Responsibilities

**PREVENT** is the Government's strategy to stop people becoming Radicalised. You can help **PREVENT**.

## RADICALISATION

- Causing (someone) to adopt radical opinions on political or social issues

## EXTREMISM

- The holding of extreme political or religious views

## TERRORISM

- The unlawful use of violence and intimidation, especially against civilians, in the pursuit of political aims

All learners are expected to support this strategy and be vigilant. Look for changes in attitude and behaviour that could suggest someone is being influenced or becoming vulnerable. Please share your concerns by speaking to your tutor, another trusted member of staff or call **0800 789 321**.
